THE 97th TIME

LATIN

Once again, as Thanksgiving draws near, we look forward to the renewal of the oldest, and finest, schoolboy football rivalry in this area. The good-natured competitiveness and pride that exists among the members of both school communities is gratifying to me. I would like to commend the coaches and players of both schools; their spirit and determination are an asset to their schools, and to our city. Together, we shall continue the traditions of academic excellence and athletic achievement that flourished during the history of both schools.

Michael Contompasis
Head Master

ENGLISH

I would like to express my sincere wishes to members of both squads with emphasis on a well played game in our 97th renewal of our ancient rivalry. May the best team win.

James B. Corscadden, Head Master
English High School

Coach Costello's Statement

The players I have had the privilege of coaching this season had set some realistic goals last spring. Since then they have worked very hard to attain them. As of this writing Boston Latin is in first place in the Dual County League with one league game remaining.

Wolfpack '83 is a very exciting football team and the players have demonstrated great spirit and togetherness. Mark O'Brien has done an outstanding job of leadership in his role as captain.

I would like to thank my Assistant Coaches, Mike Browne, Frank Stevens, and John McDonough, whose dedication, enthusiasm and caring for youth is second to none. Finally a very special thanks to the parents of the Wolfpack Gridiron Club for all that they do to make our football season special.

Paul F. Costello
Head Coach, Latin

Coach Parker's Statement

This year will be my fourth English-Latin game and I look forward to our game more and more each year. Our team this year has played a tough independent schedule and our young men have gotten better and better each week, again we look forward to an exciting game with anticipation of a fine effort from both squads.

Keith W. Parker
Head Coach, E.H.S. 1983
